DIKALP EQUIPMENTSTM

P r i v a t e l i m i t e d

Mfg. of Pharma, Chemical & ONGC Equipment & Accessories

About Our Company

Dikalp Pvt.Ltd is engaged in the manufacture and export of a wide range of **SS Table, Stainless Steel Dustbin, SS Stool, etc.** with a focus on bringing distinctive Indian designs to the market, largely used in the pharmaceutical categories.

Being a quality centric organization, we work untiringly towards offering a flawless range to our valuable clients. The offered products are extensively tested by our quality controllers on various parameters to ensure their high performance and durability. We are a client oriented firm aiming at maximizing client satisfaction by offering them the finest quality products. Since the establishment, we are well-known among our clients because of our ethical business practices timely delivery, wide distribution network and transparent dealing. Also, we strive hard to deliver the consignment at clients' end in a stipulated time frame.
